Education

- Collin College – Currently attending to earn an Associate of Arts with a focus in 2D/3D Animation (8 credit hours earned).
- Grayson County College – Attended fall 2005 through spring 2007, majoring in a general business studies program and earning credits for basic studies (48 credit hours earned).
- Sherman High School – Graduated with a high school diploma in spring 2005.

Achievements and Awards

- Worked full-time as an assistant manager at the Carrollton Domino's Pizza location that was consistently ranked number 1 in service times nationwide for Domino's Pizza.
- Promoted to assistant manager at Sherman Domino's Pizza six months after being employed and concurrently attending 18 hours of college with no previous job experience.
- Symphonic Band member at Sherman High School – 4 years. State finalist marching band member – 1 year. Numerous solo and ensemble, as well as group marching band awards.
- Member of the Boy Scouts of America – 4 years.

Interests, Goals, and Skills

- Eager to earn a degree to work towards a career in 2D/3D digital animation and 3D modeling.
- Highly ambitious to discover a challenging career that utilizes my abilities and allows me to constructively interact with others in the workplace.
- Strong desire to participate in creating an ideal institution based on motivation of one's self and co-workers, as well as a strong conviction to continually work as hard as possible on perpetual improvement.
- Interested in life-long learning; eager to return to school or seek alternate forms of learning after working in a specific industry to further my education and obtain new skills.
- Keeping up to date with current technology and learning to use existing tools to benefit myself and others.
- Excellent people skills and extensive customer service experience. Co-workers and managers are a constant reminder that I am friendly and fun to work with while getting the job done and motivating everyone around me to go beyond the task at hand, including myself. Exceedingly experienced with handling customers in tough situations while still maintaining a positive image for the company and keeping the customer happy.
- Photoshop as well as some limited use of Adobe Illustrator and Maya 2012.
